

PetFlex®

A Cohesive Flexible Bandage

Now available
in a bitter-taste
"NO CHEW" print

Helps prevent biting, tearing & chewing!

- Strong - 15 lbs tensile strength
- EasyTear® patented technology
- Sweat and water resistant
- Controlled compression - will not constrict
- Quick, easy application - no scissors needed

*"Yuck! This tastes bad -
really bad!"*

- Princess

Our bitter bandages are safe for you and your pet, however may leave residue on your hands after use.
Wearing gloves and washing hands thoroughly after application is recommended.
NO CHEW PetFlex contains bitterants that have been tested on and found safe to use on domestic animals.
